

KARCO[®]

**YOUR
DIGITAL
MARITIME
TRAINING**
Partner.

— SINCE 2004 —

www.karco.in

KARCO[®]

We partner with shipping companies & seafarers globally in delivering effective digital maritime training.

Established in 2004 by a master mariner, we have a deep-rooted understanding of industry-specific safety & training demands. This helps us provide top of the line products and services to companies & seafarers of over 70 nationalities in more than 30 countries across the globe from our head office in Mumbai India, our regional office in Singapore and representatives in several other countries.

An in-house team of mariners & developers enables us to deliver robust platforms, effective content & bespoke solutions to help you meet the challenges unique to your organization and crew.

MARINE SAFETY & OPERATION VIDEOS

— 3D ANIMATED —

KARCO pioneered the deployment of 3D animation for creating safety & operation videos for the marine industry to effectively promulgate challenging yet important training concepts.

ENHANCE YOUR CREW'S UNDERSTANDING OF:

- Invisible shipboard operations
- Consequences of poor seamanship practice
- Ship specific equipments
- Root cause analysis models

KARCO VIDEO LIBRARY

Our Video library comprises of videos of the following 5 categories-

- Shipboard Operations
- Accidents/Incidents
- OCIMF SIRE/VIQ
- Personal Safety
- Ship Specific Videos

Scan to view the complete list of available videos in our library.

KARCO[®]

A. I. AVATAR

- E-Modules that feature an avatar which makes content engaging.
- Modules can be customized as per your company's requirements.
- Library of avatar E-modules updated regularly with new topics.
- Assessments based on these E-modules to ensure training of crew.

New E-Modules are developed at the request of our respected customers & can be accessed on the KARCO TRACE application.

KARCO®

AUGMENTED REALITY

- Newly launched initiative to develop Augmented Reality based content to train seafarers.
- Experience a new dimension of training by simply using your own mobile phone or tablet.
- Effectively communicate information that is other-wise difficult to communicate using 2D diagrams.
- Highly interactive, helps improve learning and understanding.

KARCO[®] **SUPPORT**

KARCO Support was launched on recognising the real-time need of the industry for actual implementation of digital training programs.

Our in-house team of seafarers facilitate vessels & training managers in ensuring effective implementation of our products & services.

Stay on top of your training objectives & compliances with a dedicated KARCO support executive readily available to you at every step.

UTRB

Universal Training Record Book

Chart Your Career with UTRB

Track, Record, Excel!

- > UTRB comes in a digital format with an embedded competency development system. Tailored for each rank, it helps seafarers monitor their growth and identify areas for improvement.
- > Keep a detailed log of completed tasks across different vessels.
- > UTRB is flexible and customizable, allowing companies to input tasks tailored to their promotion and competency needs.
- > From support staff to management, our system provides role-specific tasks to ensure continuous learning and improvement.
- > The UTRB is designed to be with you wherever you go.

iNumECA™

Numeric Estimation of Crew Ability

Convert any kind of crew experience
& ability to quantifiable numbers
for better-informed decisions.

- Estimate numerical values of critical criteria like crew's Experience in Rank & Experience in Company.
- Comparative evaluation across varying global industry standards.
- Ability to factor in TDQ (Time Decay Quotient) of ability & skills.
- Facilitate better-informed selection of optimal crew for specific requirements.

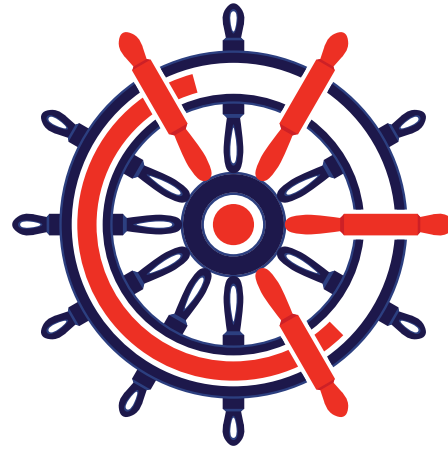

BECAUSE
TRAINING
IS MORE
THAN JUST
PRODUCTS.

IT'S
People.
